Seller/Installer shall invoice Company the amount identified in Section C of the contract. Company will not pay sales tax on Seller/Installer's behalf and any sales tax due shall be paid directly by Seller/Installer to the Mississippi State Tax Commission.

It is agreed that equipment and installation warranties, if any, are offered by the Seller/Installer and not by Company, and all such matters shall be addressed directly between the Buyer and the Seller/Installer. Buyer and Seller/Installer hereby release Company from any liability related to the sale, installation or the associated warranties.

1. Buyer hereby grants to Company a purchase money security interest under the Mississippi Uniform Commercial Code to secure the payment of the indebtedness evidenced above, and Buyer's performance of the items provided here in and to the equipment and the proceeds thereof. Buyer hereby assigns to Company monies payable under any property insurance required herein, including returned or unearned premiums, and Company is hereby authorized to receive and collect same, or settle any claim with respect thereto. Buyer further agrees that Company shall have the right to set off said balance against any funds due Buyer from Company should Buyer be in default hereunder.

2. **IT IS AGREED THAT THE EQUIPMENT SHALL REMAIN PERSONAL PROPERTY NOTWITHSTANDING THE MODE OF ITS ATTACHMENT TO REALTY OR OTHER PROPERTY.** This Security Agreement may cover goods that are to become fixtures and is to be filed for record in the real estate records. A copy of this Security Agreement may be filed in lieu of a UCC-1 Financing Statement pursuant to MCA 75-9-402(1)(5). Company and Seller/Installer claim a security interest in the equipment only and disclaim any related security interest in Buyer's principal dwelling unless a right of recision is given as required by law.

3. Buyer warrants and represents that Buyer is a residential or commercial customer of Company receiving gas service and holding legal title to the real property at the address where the equipment is installed. Buyer agrees that the equipment shall not be removed from the location where originally installed without Company's written consent. In the event the real property upon which the above described equipment is installed, is sold or otherwise transferred by Buyer to another person or entity, the Company shall be entitled to the immediate payment of the principal balance of indebtedness outstanding at the time of such sale or transfer. Buyer shall be considered in default if such balance is not paid within 30 days of such transfer. Buyer shall keep equipment in good repair and condition and insured against all perils.

4. Should the Buyer default in the payment of any installment hereunder for as long as 30 days after the same is due and payable, the Company may, at its option, declare all remaining installments immediately due and owing and may enforce collection in any lawful manner. As an additional remedy, and without impairing any other remedy it may have, the Company may enter upon Buyer's premises in any lawful manner and repossess any of said property for which payments are in default, and may sell the same at public or private sale or may retain the same in satisfaction of the debt. The proceeds of any such sale shall be applied first to the cost of repossession and sale, then to the balance due under this Contract, and the remainder, if any, shall be paid to Buyer.

5. In case of any default, the Buyer agrees to pay interest from the date of default at the annual percentage rate stated in the Contract, and all costs of collection, including a reasonable attorney's fee, whether or not suit is instituted. Presentment for payment, demand, notice of dishonor, protest, notice of protest, and any homestead or personal property exemption addressed by the laws of any state, are hereby waived by the Buyer. Failure by the holder hereof to exercise any option granted it hereunder, shall not constitute a waiver of future rights.

6. The entire agreement between the Buyer and Company is provided herein and any representations, warranties or agreements not contained herein, shall not obligate Company in any way. This agreement shall apply and be binding upon Buyer, his heirs, personal representatives, successors and assigns, but may not be assigned by Buyer without the written consent of Company. The Buyer has the right at any time to pay in advance the unpaid balance due under this Contract, and shall be entitled to adjustments for finance charges not yet accrued.
